Subject: Transfer of Notice of Intention, Large Mining Operations, Bolinder Resources Company, Stansbury Island Quarry Project, M/045/0046, Tooele County, Utah

Dear Mr. Bolinder:

On April 02, 2009, we received the completed Transfer of Notice of Intention of Small Mining Operations to transfer the SIO2 1-6 Mine Large mining project from McFarland & Hullinger to Bolinder Resources LLC. Along with the transfer form was the \$500.00 permit fee for this project, received on January 20, 2009.

The transfer included a name change from the SiO2 1-6 to the Stansbury Island Quarry, as shown in the approved Revision pages (attached).

Please submit Revision pages to your Notice of Intention (NOI) using form MR-REV, within 30 days. This form is available on the Division's web site at https://fs.ogm.utah.gov/pub/mines/minerals_related/forms/MR-REV.pdf.

The Division Director signed and executed the transfer document on April 15, 2009, *which effectively transfers the responsibility of this mining operation and reclamation to you.* A copy of the executed transfer form, Reclamation Contract and surety forms are enclosed for your files. You are now the official party responsible for all mining and reclamation obligations for this project. Please be aware that you must satisfy the BLM requirements in making this change in ownership as well. We will forward a copy of the executed documents, along with this letter, to them for their records.

By copy of this letter the Division hereby officially releases McFarland & Hullinger from any further reclamation responsibilities at this site.
